Additional Comments: (Good or Bad we want to hear what you've got to say!): Everytime I spoke our had e mail contact with Daniel it was positive and upbeat. I loved the way I could choose and listen to songs online and to pick out and type up all the info in the comfort of my own home. It was fun as well! Daniel was awesome at our wedding ceremony and reception. honestly I felt like he was one of the family. I would suggest his DJ service to anyone! He is the reason everythign went so smoothly and was so much fun!!!!
